PROFILE

BBA graduate in Banking & Insurance with two years of Account Assistant experience in an audit-firm environment. Grounded in careful, verifiable accounting work — vouching, reconciliations and audit documentation — and now building toward business analysis, supply chain and logistics roles through structured self-study, spreadsheet depth and process thinking.

EXPERIENCE

Account Assistant — Audit & Consulting Firm

Baluwatar, Kathmandu · 2 years

- Prepared and organized audit working papers — vouching schedules, ledger scrutiny notes and reconciliation papers — across multiple client engagements.
- Ran monthly bank and ledger reconciliations for client accounts, tracing mismatches to source documents and summarizing findings for senior review.
- Maintained accounting records in line with documentation standards expected in an audit environment.
- Built reusable Excel templates for vouchers, ledgers and monthly summaries, reducing manual re-entry with structured formulas and validation rules.

EDUCATION

Bachelor of Business Administration (BBA) — Banking & Insurance

Apex College · Mid Baneshwor, Kathmandu

- Four-year business foundation: accounting, finance, management and banking practice.
- Ongoing professional development: Excel workflows, data analysis, Power BI fundamentals, supply chain basics.
